

Edwards - world leader in vacuum and abatement solutions!

Edwards is a leading developer and manufacturer of sophisticated vacuum products, abatement solutions and related value-added services. Our products are integral to manufacturing processes for semiconductors, flat panel displays, LEDs and solar cells; are used within an increasingly diverse range of industrial processes including power, glass and other coating applications, steel and other metallurgy, pharmaceutical and chemical; and for both scientific instruments and a wide range of R&D applications.

Edwards has over 4,200 employees - operating in approximately 30 countries worldwide - engaged in the design, manufacture and support of high technology vacuum and exhaust management equipment. We have a rich 99-year history serving a \$6+ Billion market.
